Mena Fashion Show at the O Lounge

MENA REACHES HAWAII: Summer Vaimoana, third from left, and celebrity emcee Kale Chang welcomed the Loheni sisters -- Agnes, left, Gina, Charlene and Jackie -- Dec. 2 as the foursome introduced their MENA fashion line with a screening of "Samoa Wedding" followed by a fashion show at the O Lounge.

Vaimoana's Soleil boutique in Kapahulu is the first in Hawaii to carry the sisters' internationally popular contemporary Polynesian fashions, and all four sisters were wearing MENA at the party.

The movie ties in because MENA designs were worn by a character named Princess and also by the bride in the final scenes.
